Day 1	Grammar, Vocabulary, Visual Text and Comprehension The students will learn some essential Grammar rules and how to look for clues to tackle questions for Vocabulary and Visual Text in Paper 2. They will be taught answering techniques for open-ended questions in Comprehension.
	Composition writing skills The students will learn some strategies and vocabulary phrases for writing Compositions.
Day 2	Situational writing and English oral (reading aloud and stimulus-based discussion) The students will learn writing techniques for Situational writing. They will be taught how to read fluently, articulate clearly and present their oral answers in a holistic way such as expressing their opinions, providing reasons and sharing personal experiences.
	Editing, Cloze Passage and Synthesis and Transformation The students will be taught techniques to attempt Editing, Cloze Passage and various kinds of challenging questions on Synthesis and Transformation.

Through the workshop, we stretch the potential of the students to the fullest and equip them to have skills in examination techniques by giving them examination papers for graded practices. Thus, they have the ability to attempt the PSLE exam questions within the curriculum.
